NARRATIVE

Traffic unit #1 was traveling north bound on Cavalero Road from the 2200 block, at a speed greater than reasonable and prudent. Traffic unit #1 failed to stop for a posted stop sign at the intersection with 20th Street SE, and continued north bound onto 75th Avenue SE. Traffic unit #1 operator failed to maintain control of the motor vehicle due to wet roadway conditions and unreasonable speed, and began to lose control. Traffic unit #1 began spinning to the left, ultimately leaving the roadway to the west of 75th Avenue SE. Traffic unit #1 collided with a solar powered street light pole, followed by a wood privacy fence surrounding the rear yard of the residence at 7427 19th Place SE. Traffic unit #1 then flipped onto its driver side before coming to a stop.

- All six occupants of the motor vehicle exited the pickup with varying degrees of injury.
- Traffic unit #1 operator fled the scene of the collision on foot, prior to Officers arrival.
- Dryden, Henry, and Badgley were transported to Providence Medical Center for medical attention. Guthrie and Frickberg declined medical treatment at the collision scene.
- Traffic unit #1 was towed from the scene by Speedway Towing.
- See Police report for further information reference this collision.

~~The~~ I heard accident at 3:55am on 8/10/13. Arrived on scene at 3:58ish am. Was first non-involved person on-site. Witness White extended cab truck on its side. 3 persons (including driver) were outside the vehicle: 2 male, 1 female. An additional 2 females and one male were in the truck. Driver appeared intoxicated and smelled strongly of alcohol. I advised the remaining persons to stay in the truck until emergency services arrived. The truck appeared stable on its side and there was no visible immediate dangers. The driver asked me not to call 911, but I told them they were on the way. The other occupants urged him to leave, and he fled on foot (6'0" W Male, Brown Hair, Early 20's, plaid shirt, jeans, no serious injuries noted). I helped the other occupants ^{exit vehicle} leave (as they were leaving the truck anyway and I am sober. Superficial injuries noted on one male. One female complaint of back/neck injuries. Assisted occupants in getting phones/belongings. Emergency Services arrived shortly after.

At 3:55 we heard screaming tires and a collision. My husband jumped out and ran to the scene, I called 911. Upon arriving at the scene at 4am, 3 men and 2 women were at the scene, being pulled from the cab of the overturned truck (which was on its side). The driver was clearly intoxicated and kept saying that he "couldn't be here", so the remaining 2 men and both women told him to run. There was a third woman who had climbed back into the truck to get his phone (But he left before she got back out). I then saw the driver run from the scene, south, and cross 20th. I updated the original 911 call and told them such. Shortly after, police/fire arrived. All 6 people were intoxicated but only 1 had noticeable injuries.

The driver was about 6' tall, Brown hair, medium build (180-190lb) and was wearing jeans and a plaid shirt w/ a black undershirt
